

X-INVESTIA

STOCK MARKET

Venue: Fr. Bruylant's Hall

Participants: 2

- X-Investia is a finance event where teams manage a ₹3 crore portfolio by real-time decision-making in a physical trading simulation.
- Participants will trade mid-cap and small-cap stocks based on live market cues and news updates, aiming to grow their corpus through smart analysis, strategy, and adaptability.
- Trading will be conducted physically in a simulated market not online.
- A stock list will be circulated. Participants are requested to go through the basic fundamentals of the given companies.
- Laptops are allowed for tracking the corpus.
- This event is only for students of classes 11-12.
- Further details will be revealed during the event.
